Transforming Conflict - Facilitating Nonviolence - A Facilitator's Guide
This resource package contains course and module information for the TAFE NSW communications modules *4964D Transforming Conflict* and *4997F Facilitating Nonviolence*. These modules can be taught as part of other courses or of the stand-alone courses *9843 Skills for Nonviolence* and *9844 Strategies for Nonviolence*.
The resource package contains a collection of interactive learning activities and delivery strategies for each teaching unit. It is designed for teachers and facilitators who are also encouraged to add and interfile their own examples of successful learning activities. (ISBN 0-7313-5788-4)
